Honorable Haynes Jr.,

My name is Tyron Green, an inmate ~~confinee~~ <sup>confinee</sup> ~~in~~ <sup>confinee</sup> at Murray County Jail. I wrote you ~~in~~ <sup>in</sup> this the six page letter about a month ago. ~~about~~ <sup>in</sup> this Since then I have filed a civil law suit for against this facility. I have made notes ~~May 10~~ <sup>May 10</sup> & petitions signed by inmates to help confirm 2013 and/or back up my allegations against this ~~at 3:00~~ facility. But now I have a new matter.

On April 5, 2013 I was given a lunch ~~calendared~~ tray with a roach in it. I didn't notice it. ~~in~~ <sup>in</sup> it until I was half way done with the ~~Defendants~~ tray. I removed the roach placed it in a shall ~~piece~~ <sup>piece</sup> of paper and put it inside an envelope. ~~produce~~ <sup>file</sup> So which leads me to a couple of questions ~~for~~ <sup>for</sup> you. ① The petitions that I have, should I send them to the Clerk to have them put into my file folder? ② What shall I do with the roach, keep it or send it to the court? I also filed a grievance & made a copy of it for my records. Please respond when you can sir. Thank you!

Respectfully,  
Tyron Green
